1. Why would there be players on the team with ethnic backgrounds from other European countries, e.g., Spain, Germany, and Portugal?

2. Why would there be players on the team with ethnic backgrounds from northern and western Africa?

3. Why would there be players on the team from the Caribbean? How are these locations different than the locations in Africa?

4. Why would the players born in DR Congo and Cameroon not want to play for those countries' teams?

5. How would you describe the ethnicity of France's World Cup team?

*Disclaimer: There is no official source with ethnic information for each player. As a result, the above information is from numerous sources and is subject to accuracy of those sources.*
