

How do I keep them from falling asleep?

Michael Robinson
Houston High School
Germantown, Tennessee

email: michael.robinson@gmsdk12.org
website: hhsrobinson.org

How do you find the presentation online?

1. Go to hhsrobinson.org.
2. Click on "Inservice for Teachers"
3. Go to the bottom of the page to find a Mac Keynote version, a PowerPoint version, and a PDF copy of the presentation.

The presentation focuses on two key questions:

- How do I teach effective lessons to my students?
- How do I ensure my students are engaged in the lessons I teach?

How many students do you think attend Sanyang Elementary School? Answer: _____

Five Tips for TEAM Observations (space for notes)

1. Rubrics

2. Objectives and Mastery

3. Questions

4. Student-Centered

5. Good Practices

Reflection Questions on Teaching Strategies and Ideas

1. How can I make the lessons I teach more student-centered?
2. What specific lesson(s) can I adapt to be more student-centered?
3. How can I get my students in my classes to tell me more than I tell them?
4. What can I do to bring in local examples into my lessons?
5. What are the effective teaching practices that I do everyday in my classes?
