# Questions to help with finding the answer...

---

- 1- Would there be a large number of doctors who specialize in ear nose and throat?
- 2- Where do people purchase gas? How many people drive?
- 3- Where are hotels usually located? Are hotels clustered together?
- 4- How close is the nearest McDonald's to where most people live?
- 5- Are Middle Eastern Restaurants popular? Are they as popular as McDonald's?
- 6- Where are you most likely to find tourists?
