Student Name: _____ Date: _____ Period: _____

DIRECTIONS: LABEL each country on the map with the number beside each location from the list. COLOR each country from the list on the right with the same color.

Avengers Endgame Map Analysis

Student Name:

Date:

Period:

1- In which regions of the world are the majority of the countries found where the movie was released?

6. What is the type of map projection used for the world map? What is a positive and negative for using this specific map projection?

2- In which regions of the world are the majority of the countries where the movie was **NOT** released?

7. Identify and explain which countries would not want Kosovo listed as a separate location where the movie was released.

3- With high levels of poverty in India, why do you think the movie would be released in this country?

8. Identify and explain which countries would not want Taiwan listed as a separate location where the movie was released.

4- Explain ONE factor that would help determine why the movie would be released in a particular country / region. Use examples from the map in your explanations.

9. Explain why Hong Kong would be listed separately from China as a location where the movie was released.

5- Explain ONE factor that would help determine why the movie would **not** be released in a particular country / region. Use examples from the map in your explanations.

10. Summarize the patterns observed on the completed map.
